Why Study in Bulgaria

Low-cost of living

Reasonable
tuition fees

Safe enviroment
for international
students

Degree recognised
worldwide

- The tuition fee is much more affordable as compared to other EU countries.
- Bulgarian universities have worldwide recognition. They are accredited and provide varied courses so that students have a lot of choices.
- As Bulgaria is an EU country, the credits for the courses taught at Bulgarian universities are transferable within Europe. This means that a student can pursue further studies after Bulgaria from any of the European Union countries.
- The Bulgarian people are friendly and open and they welcome foreigners. You will find that you develop bonds in Bulgaria and love the people and the country.
- The weather is moderate and there are many beautiful places for you to see in your free time. The Bulgarian economy is booming and you'll never be bored with the many things that Bulgaria has to offer.
- The cost of living in Bulgaria is much less than in other countries and education is more affordable.
- The courses offered in Bulgaria are mostly in English.
- The universities and colleges in Bulgaria offer an education that meets all global standards. A special focus is on the courses that are job oriented so as to make the students employable.
