

REPUBLIC OF CYPRUS

Why you should add this magical Mediterranean island as one of your options to further your Education

Why The Republic of Cyprus

Quality Education:

Cyprus provides education of top quality standards. The higher education institutions in Cyprus provide adequate knowledge and skills required to work in the contemporary global job market. The higher education institutions in Cyprus offer a wide range of courses at the undergraduate as well as postgraduate levels.

Multicultural Environment

Cyprus has a rich cultural history. The Cyprus culture is split up into different and unique cultures of Turkish and Greek Cypriots. This cultural diversity attracts students from all over the world.

Safe, Welcoming and Friendly Environment

Cyprus is a welcoming, safe and peaceful country for students. The people out there are friendly and helpful. The country does not have any kind of political or communal trouble.

Enrich your Language Skills

While studying in Cyprus, you get the opportunity to study and learn a foreign language, thus enhancing your language (English and Greek) skills. This skill will give a boost to your CV.

Affordable Study and Living Costs

Cyprus is an affordable study destination. The cost of study and living in Cyprus is low. accommodation and transport costs are also reasonable in Cyprus.

BEAUTIFUL BEACHES, WILD PARTIES, DELICIOUS CUISINE

ARE JUST A SMALL PART OF EXCITING STUFF WHICH CYPRUS OFFERS

Sun and sea

cuisine

Perfect location

MEMBER OF THE EUROPEAN UNION

Cyprus is a member of the **European Union**. Its eastern Mediterranean location is of strategic significance and for this reason it has a great span of history; It is the 5th Largest Islands of the world that has so much to offer in terms of Education, Business, and Leisure.

Cyprus has a very high standard of living, but it is still relatively inexpensive to live and study. The cost of living in Cyprus compares very favorably to other European countries. Many significant student expenses such as accommodation **cost are much lower in Cyprus** than in other European countries.

**Due to the Turkish invasion in 1974,
Nicosia, Cyprus has been and is the only divided capital in the world**

The **North side**, is illegally occupied by Turkey, and is thus not recognised as a state anywhere around the world except by Turkey itself. Therefore students should know that they will have many drawbacks if they decide to go there. First their programs are not acknowledged anywhere in the world and students will not have the flexibility to travel around Europe legally. Rather they would each time have to travel back to Turkey and from there to proceed to their destination.

The **South side**, is governed by the **Republic of Cyprus**, which is a member of the **European Union**, and thus has all the advantages that one can benefit from.

THE REPUBLIC OF CYPRUS HAS 5 MAIN CITIES

Nicosia

The Capital of Cyprus and is known as the administrative, commercial, financial and cultural center. It also serves as a base for major financial services provided and numerous small businesses.

LIMASSOL

Limassol (also called Lemesos) is the second largest city in Cyprus. It is the island's main port, a main tourist center and the center of the wine industry of the island.

This City has been the only city that has continued to develop drastically the past couple of years due to the fact that many foreign companies have invested and located their businesses there.

Limassol is also well known for its carnival festival which is considered to be the second most popular after rio de jenero

PAPHOS

The coastal town of Paphos with its medieval port and harbor is a harmonious combination of historical sites, tourist resort and wonderful countryside.

LARNACA

Larnaca town was built over the ancient city kingdom of Kition.

Larnaca has a beautiful sea port and historically was a major center of copper trade.

Main international airport is based in Larnaca!

AGIA NAPA

Agia Napa is renowned for its vibrant life, especially at night, and is a popular destination for tourists around the world as is also Protaras in the coastal area of Paralimni.

A great diving and snorkeling experience can be had here. With its rocky protrusions, secluded caves, sea caves and amazing views from the cliff peaks, it is just the place for adventures.

Why Cyprus!

One of the safest countries in Europe

Cyprus is known to be among the safest countries in Europe due to its low crime rate. According to [Eurostat statistics](#), Cyprus has **the lowest number of recorded crimes**, which include robberies and violent crimes. This is very useful information because who would want to visit or study in a country which could be potentially dangerous?

Perfect Mediterranean climate for 365 days

Climate in Cyprus is **one of the most stable and warmest climates in Europe** and the average annual temperature is 24 °C. This means that Cyprus has warm winters with very small amount of rainy days and summers are mostly dry and hot. Cyprus comes very close to a perfect climate. There is actually no bad season in Cyprus.

However, it should be mentioned that during our Winter days, we do get enough Snow only in Olympus Mountains which is quite popular among the locals during winter season for Skiing.

| The World's Safest Countries | | | |

ValuePenguin Source: FBI

Cyprus is dependent on Tourism for this reason 80% of the population is bilingual (Greek & English)

It is a Popular tourist attraction for European & Scandinavians (3,000,000 millions tourists every year)

An affordable and accessible path to success

Cyprus has invested its riches in a high-quality European education system, with affordable university tuition costs, plenty of facilities and benefits. You'll not have trouble finding excellent Bachelor's and Master's degrees in Cyprus that will match the standards of international universities World-Wide.

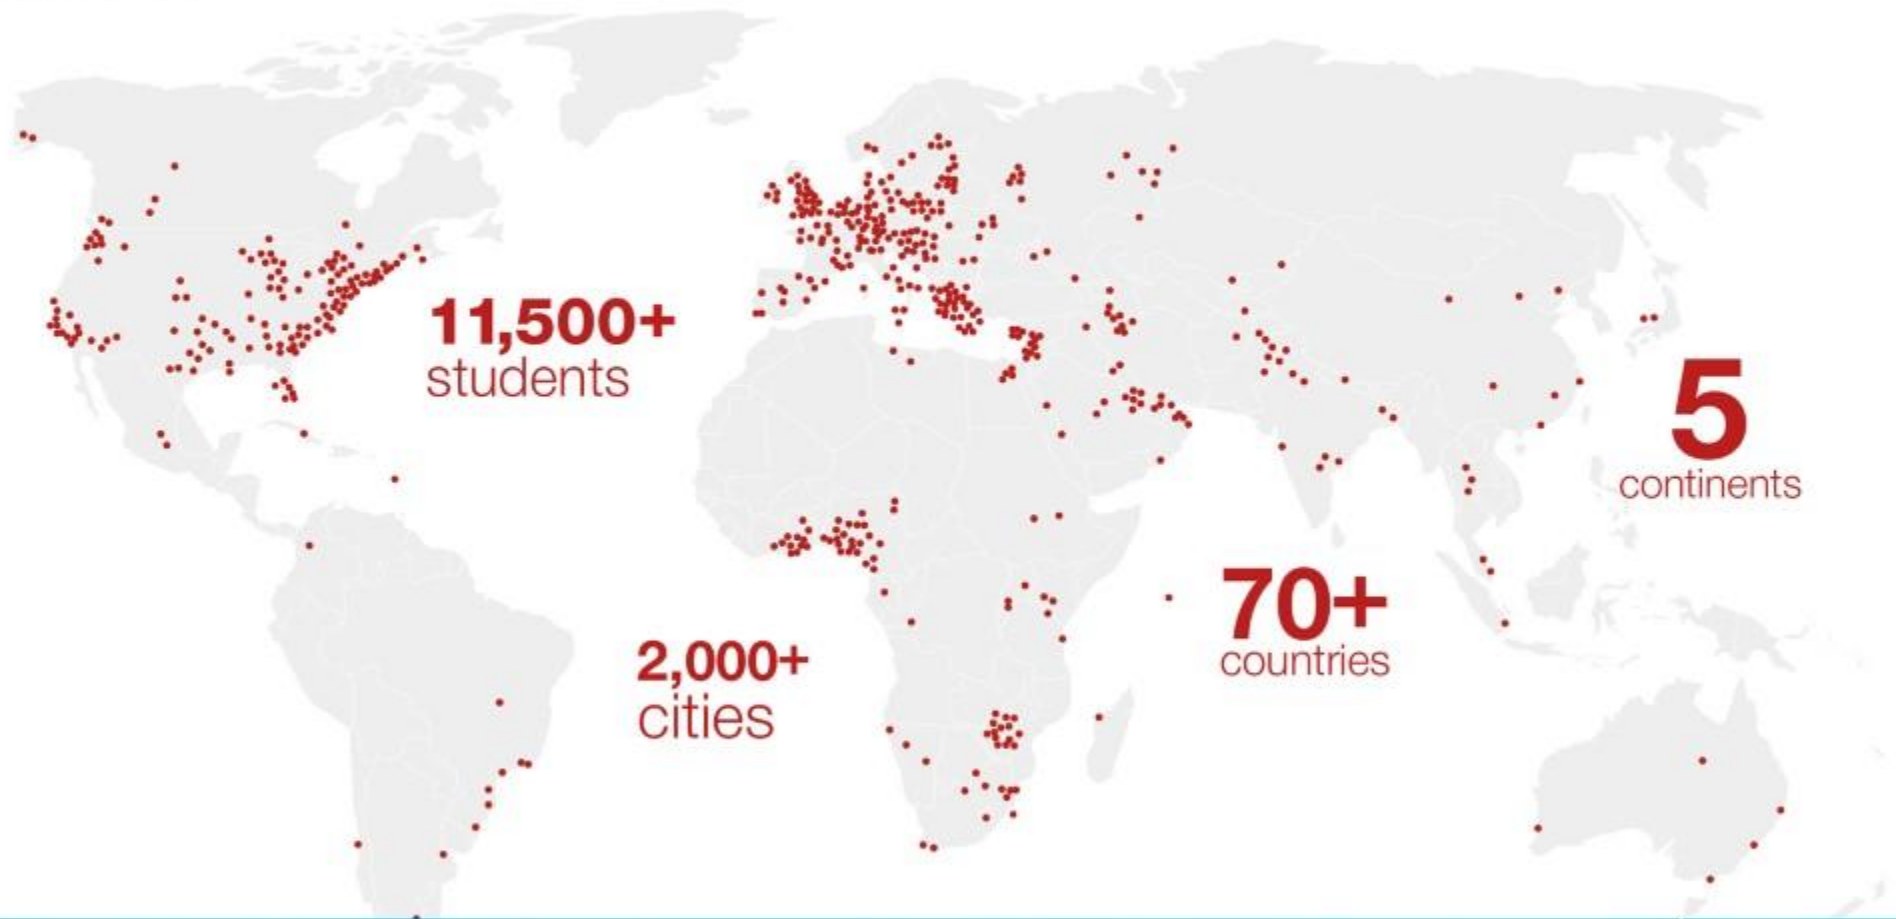

Just like anywhere else, the educational system in Cyprus has its own peculiarities. Not surprisingly, the most popular specialties offered by universities in Cyprus are Hospitality , Business and Tourism, although the list of all available programs is by no means limited to these ones. Most schools and colleges are based on the **ECTS System**, Meaning the European Credit Transfer system of education, which gives students the opportunity to choose their academic load and vary their course. It has a positive impact for all students allowing them to Transfer to any other college or University World - Wide!.

Benefits of Europass

Europass aims to help people make their skills and qualifications clearly and easily understood in Europe, thus facilitating the mobility of both learners and workers.

Europass has a number of benefits associated with it, the principal ones being:

- It will help citizens to convey their qualifications and competences in an effective way
- It provides a comprehensive tool for users based on an accessible electronic format
- It enables people with diverse backgrounds and experiences to gain access to opportunities for learning and employment throughout Europe, particularly by helping people to move between countries or across employment sectors
- It will promote strong links between education and training, business and industry, ensuring the continuing relevance and adequate appreciation of competences and qualifications.

Europass is an open system that supports European policy developments related to the transparency of competences and qualifications

PICK UP FROM LARNACA AIRPORT AND ACCOMODATION

If students need pick up! we need to be informed in advance to prepare for the necessary arrangements. depending on which city student will study the cost varies from 40-60 euro!

Students usually choose to share a flat or a house to reduce the costs. for a two or three bedroom apartment, approximate cost is 170 - 250 euro per person for a shared room per month.

students which require accomodation it is essential to know that a deposit as well a full months rent needs to be paid before arrival. the deposit is kept by the landlord and is refunded once the student decides to leave the accomodation under the condition that there has been neither damage nor outstanding balance. a deposit of water and electricity is also usually required.

Documents need to be ready by:

| | Last date of attestation from Consulate | Last date of submitting Original Documents | Commencement of Classes |
|---------------|---|--|----------------------------------|
| SPRING INTAKE | 10th of November | 20 th of November | 1 st week of February |
| FALL INTAKE | 10 th of July | 25 th of July | 2 nd week of October |

If you would like our representatives to arrange the attestations on your behalf complete documents need to be submitted at least 10 days prior Consulates attestation date!
