FAQ'S WITH STUDENTS

Q: How did you choose Singapore as your study destination?

A: We wanted to study overseas and that inspired us to check with the study consultants in our area. This is how we came to know about Singapore as a study destination.

Q: What course did you study at SINGAPORE?

A: We started our education at **SINGAPORE** from a diploma-level course. On completion, we applied for the Advanced Diploma in Hospitality and F&B Services. The College took care of the entire visa application process and the progression was a very smooth experience.

Q: Did you manage to secure a job on completion of your studies?

A: Yes, we both got employed in Singapore on completion of our studies.

FAQ'S WITH STUDENTS

Q: Why did you choose Singapore as your study destination?

A: It is a good place to study and the education system is considered 'world-leading'. People from different races and multicultural backgrounds have equal access to the job opportunities. It is safe to work here and Singapore is described as one of the best places to stay and work.

Q: How did you find a job in Singapore?

A: During my internship, I met a lot of people. There are indeed many opportunities in the F&B and hospitality sector. Upon completion of my studies, I found a job and have been working in the operations department in the F&B industry. I got a job straight after completing my Advanced Diploma in Hospitality and F&B Services. I have been holding the S Pass for two years now. It was a great experience and definitely a good choice to study in Singapore.
